

Corrigenda

The authors would like to make the following corrections to their articles:

Eisenthal, R. and A. Panes, The aerobic/anaerobic transition of glucose metabolism in *Trypanosoma brucei* (1985) FEBS Letters 181, 23–27.

page 25, eqn 4 *should read*:

$$\frac{(\text{glycerol})}{(\text{pyruvate})} = \frac{K}{K + 2(\text{O}_2)}$$

instead of:

$$v = \frac{K}{K + 2(\text{O}_2)}$$

page 26, equation *should read*:

$$\frac{(\text{glycerol})}{(\text{pyruvate})} = \frac{K}{K + 2(\text{O}_2)} + C$$

instead of:

$$v = \frac{K}{K + 2(\text{O}_2)} + C$$

Jamaluddin, M.P. and L.K. Krishnan, A molecular mechanism for the biphasic effect of exogenous arachidonate on platelets (1985) FEBS Letters 183, 287–292.

page 290, fig. 5 legend, final line *should read*:

fig. 4, except for the use of half the protein concentration.

instead of:

fig. 4.

Yip, T.T., Y.Y. Tam, Y.C. Kong, M.C. Belew and J. Porath, Isolation of the epidermal growth factor from the shrew submaxillary gland (1985) FEBS Letters 187, 345–348.

page 345, affiliations *should read*:

*Department of Biochemistry, The Chinese University of Hong Kong, Shatin, NT, Hong Kong and *Institute of Biochemistry, Biomedical Center, University of Uppsala, Uppsala, Sweden*
